

Entry-level Cybersecurity Certification (ECC)

(ISC)² Registration Guide

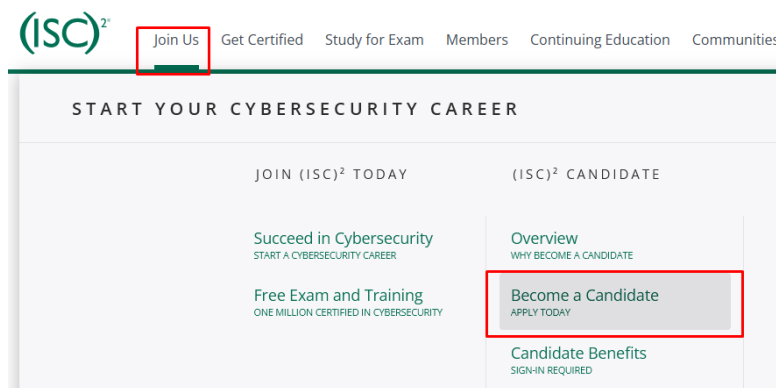

Summary:

To access the full official training course, the participant must:

1. Sign-up for an account with (ISC)².
2. Apply to be a candidate.
3. “Purchase” and “Checkout” the course for \$0.00 (no credit card will be asked).
4. Access the (ISC)² Learn Portal.

Section 1: Candidate Application

1. [Sign-up](#) for an account with (ISC)². You’ll be redirected to the account dashboard after the sign-up process.
2. Go to “Join Us” then click **Become a Candidate**

3. Fill out the (ISC)² Candidate Application Form.

(ISC)² Candidate Application Form

Become an (ISC)² Candidate and join a global community of cybersecurity professionals working to build a safe and secure cyber world. If you are an (ISC)² certified member, you are NOT eligible to apply as an (ISC)² candidate.

Please complete all fields on this form to successfully apply to be an (ISC)² Candidate and create your account. Once you have signed into your account, you will be able to open your My Profile page and provide the additional necessary information to build your full account profile.

A screenshot of the (ISC)2 Candidate Application Form registration page. The page has a dark green header with the word 'Register' in white. Below the header, it says 'Page 1 of 3'. The main section is titled 'Personal Information'. Below this title, there is an 'Important Note' stating that the first and last name on the ID and on this form must exactly match the first and last name used for exam registration for Pearson Vue. There are three input fields for '* First Name', 'Middle Name', and '* Last Name'. Below these fields, there is a label for '* Primary Email address' followed by an input field.

4. At the bottom of the form, in “*Primary Certification of Interest”, select **Certified in Cybersecurity** then click the **arrow** pointing to the right.

The screenshot shows the “*Primary Certification of Interest” section. On the left, under “Available Certification of Interest”, a list of certifications is shown: Systems Security Certified Practitioner, Certified Information Systems Security Professional, Certified Cloud Security Professional, Certified Authorization Professional, and Certified Secure Software Lifecycle Professional. A red box highlights this list, and a red arrow points to it with the text “1.) Select 'Certified in Cybersecurity' from the list”. In the center, a small red box highlights a right-pointing arrow, with a red arrow pointing to it from the text “2.) Click the arrow”. On the right, under “Selected Certification of Interest”, the text “Certified in Cybersecurity” is displayed.

5. In “How did you hear about the (ISC)² Candidate Program?”, select **Other** then enter “**USAID’S BEACON Project**” on “Please specify”.

The screenshot shows the “How did you hear about the (ISC)² Candidate program?” section. The “Other” option is selected and highlighted with a red box. Below it, under “*Please specify”, the text “USAID’S BEACON Project” is entered and highlighted with a red box. At the bottom, there is a question “* Are you a member of an (ISC)² Chapter?” with radio buttons for “Yes” and “No”, where “No” is selected. A green “Next” button is located at the bottom right.

6. Continue filling out the form.

7. On “Page 3 of 3”, you must:
 - a. Click **Demographic Data Statement**
 - i. Read the statement.
 - ii. Fill out the form that will appear.
 - iii. Before you can click **Accept**
 - b. Click and read the **Account Policy** before you can tick its corresponding checkbox

The screenshot shows the 'Register' page, Page 3 of 3, titled 'Demographic Information'. It contains a paragraph about taking 5 minutes to answer questions on diversity, equity, and inclusion, with a link to the 'Demographic Data Statement' highlighted in a red box. Below this are two radio buttons: 'I accept' (highlighted in a red box) and 'I do not accept'. There are two checkboxes: one checked for 'I have read and agree to the Privacy Policy' and another unchecked for 'I confirm that I only have one account with ISC2. It is required to read our Account Policy.' (the text 'Account Policy' is highlighted in a red box). A third checkbox is for 'Keep me informed about Candidate certification resources, benefits, professional education, and news.' At the bottom are 'Back' and 'Submit' buttons.

- c. Click **Submit**. You’ll be redirected to the “(ISC)² Candidate Benefits” page
8. Click the **Official (ISC)² Online Self-Paced Training for Certified in Cybersecurity** link.
(After clicking the link, you’ll be redirected to the “Shopping Cart”)

(ISC)² Candidate Benefits

Exclusive Resources and Discounts

Congratulations on taking this exciting step toward a rewarding career in cybersecurity by becoming an (ISC)² Candidate!

As an (ISC)² Candidate, you have access to a full spectrum of benefits and resources that enable you to expand your skillset and set you up for career success, including:

- A digital badge
- Professional development and training
- Volunteer opportunities
- Peer-to-peer networking and exchange of best practices
- (ISC)² Security Congress annual conference
- Professional recognition and award programs
- Industry events
- Discounted learning resources
- Free education and exam for Certified in CybersecuritySM certification as part of One Million Certified in Cybersecurity initiative

Exam Preparation

- Free access to **Official (ISC)² Online Self-Paced Training for Certified in Cybersecurity (CC)**. Now available in [English](#), [Chinese](#), [German](#), and [Spanish](#).
 - Free registration to take the [Certified in Cybersecurity exam](#)
